

# TT Theory video

## Alternative

- Creating a new model
- Adding connections
- Valving
- Goal
- Paradigm
- Tariffs and taxes
  - Subsidies
- Regulatory
  - Standards
- System rules
- Leverage points
  - Feedback loops
    - Positive
    - Negative
  - Information flows
  - Stocks and flows
  - Delays
  - Buffers
- System structure
  - Implies model
  - Some are new connections

## Who

- Individuals
  - Call me Trimtab
  - Habit stacking
  - Integrity

## When

- Trailing
- Edge effects
- Steer from the rear

## What

- Is a trimtab
  - Lever
  - Advantage
- Do they do
  - Low pressure
  - Control surface
    - Help move
    - Stabilize
- Is a control surface
  - Observable
  - Feedback loops
  - Forces
    - Multiple
    - May be invisible to our senses

## Where

- Are they found
  - Boats
  - Airplanes
  - Organizations
  - Self
- Can they be used
- Self
  - Low pressure
  - Integrity

## How

- Do they work
  - Low pressure
  - Phase change
  - Catalytic
- Must be accepted
